

# Wood Grain Finishes by Alumicor

Wood grain finishes for aluminum combines all the benefits of metal with the beauty of natural wood. Alumicor offers decorative, wood grain finishes for its architectural aluminum products in a variety of options, colors and species.

Our wood grain finishes have been subjected to the most demanding testing for durability, ruggedness, chemical and weather resistance. These finishes can be applied to the interior or exterior of Alumicor's storefront, entrance, curtainwall, sun shade and light shelf devices.

**Entrances**

**Storefront**

**Curtainwall**

NOTE: Colors shown are not exact and are intended for planning purposes. For actual job, Alumicor will supply color chips.

WARRANTY: Wood grain finishes by Alumicor meet AAMA 2604 with a 5-year warranty.
